Recruitment Announcement

OFM is a non-represented agency

Position: .NET Developer (ITS 4 or ITS 5)

Location: Olympia, Washington

Overview: OFM Accounting Division is recruiting for a .NET developer to work in the Budget and Allotment Support System (BASS) project. This position will work with the BASS team to design, develop, and implement budgeting applications within the state intranet. The specific salary range for this position has not been finalized, but will fall within the Information Technology Specialist 4 or 5 level.

Desirable Qualifications: The ideal candidate will have a minimum of 1 year programming experience using Microsoft technologies, including .NET Framework, C#, XML, ADO.NET, Visual Studio .NET, Microsoft SQL server Transact-SQL, and a minimum of 2 years development experience. It is desired that the candidate also have experience using object-oriented diagramming (UML), ASP.NET, Crystal Reports, Visual Basic 6, HTML/DHTML, desktop troubleshooting, understanding of proxy servers and firewalls, and installing/deploying CAB files.

This position will report to the BASS Development Coordinator within the BASS project.

Process: Interested applicants should submit the following: (1) a letter of interest, describing specific qualifications for the position; (2) a current resume, detailing experience, education, and current salary; (3) a list of three professional references with current telephone numbers; and (4) Personal Data sheet www.ofm.wa.gov/jobs/datasheet.doc to: Employee Services, Office of Financial Management, P.O. Box 43113, Olympia, WA 98504-3113 or email Susan.Latham@OFM.WA.GOV or FAX 360-664-7660, no later than July 26, 2006. **The top candidates will be invited to an interview to determine the finalists for this position. Since the selection will be based on information provided by the candidates, it is in the candidate's best interest to address the desirable**

qualifications of the job as they apply to their knowledge, skills, and abilities.

NOTE: The Personal Data Sheet is Microsoft Word 97 format. If you don't have Word 97 or compatible software, a free viewer is available at the [Microsoft](#) Web site.
